novatek EWE Mix	90	60	60	60
Salt	150	75		
	590 kg	585 kg	510 Kg	510 Kg
Feeding Circumstances	Abundantly dry grass available / Late Pregnancy	Scarcely dry grass/ Lactating Ewes	Abundantly dry grass available / Late Pregnancy	Scarcely dry grass/ Lactating Ewes
Crude Protein (Min%)	27	21	25	22
Recommended Intake (g/ewe/day)				
Dry Ewe	150 - 200	150 - 250	150 - 200	150 - 250
Replacement Ewe	200 - 250	250 - 400	200 - 250	250 - 400
Late Pregnant Ewe	200 - 250	250 - 400	200 - 250	250 - 400
Lactating Ewe	-	300 - 500	-	300 - 500

To promote palatability and limit feed selection, 50kg of Molasses can replace 50 kg of the No3 Meal / Maize Bran/Corn & Cob in any of the above rations in order.

Feeding Instructions:

Ensure enough trough space when feeding the Maintenance / Production Feed as there is not enough salt to limit intake. Do not feed more than the prescribed amount per head per day as this product contains urea and can cause poisoning. When supplying the Salt Restricted Lick introduce it to animals by supplying only according to recommended daily allowance for the first 7 days where after it can be supplied ad lib. The salt will limit the intake and animals should only take what they need, thus making it a very safe supplement.

Packaged: 30kg

UREA Warning

This Farm Feed contains NPN (Non Protein Nitrogen) sources and must therefore be fed Strictly according to instructions for use.

1. Vinegar is an effective remedy against NPN poisoning. Mix it with an equal amount of water and dose half a bottle per calf or large sheep or 2-4 bottles per head of cattle. (1 bottle = 750ml). 2. Protect this farm feed from rain. NPN is soluble and animals drinking such a solution could be poisoned. 3. Do not feed this farm feed indiscriminately with other NPN containing farm feeds. Consult an animal Nutritionist. 4. Mix this concentrate thoroughly with the prescribed ingredients. 5. Prevent gluttonous eating by hungry animals.

Although all measures have been taken to ensure the safety regarding the use of this product, Novatek Animal Feeds can not be held liable for any losses which may occur through the use of this product
